

FALCON MANOR

PERFECTLY SITUATED TO EXPLORE
& ENJOY THE YORKSHIRE DALES

LUXURY DB & B EXCLUSIVE WEDDING VENUE

The big idea for Falcon Manor was to create a truly contemporary Yorkshire Dales country house hotel. Stylish and sophisticated but not at all stuffy, offering the warmest of welcomes, a shelter from the inclement weather and just reward for your exertions out on the fells and moors. With wellies by the door, fires in the grate and even a dog curled up on the flagstone floor.

Some of our bedrooms are big and some are small but all are equally fabulous. None more so than the magnificent Rafters Room, Falcon Manor's simply glorious Honeymoon Suite.
